

Citizens of Franklin County,

I am pleased to announce that the Franklin County Democratic Party has endorsed Judge Carolyn Thompson for the Court of Appeals.

Judge Thompson has demonstrated an unwavering dedication to justice and equality under the law throughout her distinguished career, making her the ideal candidate. She has earned a reputation for fairness and integrity, consistently applying the law with compassion and respect for all individuals who come before her. Her commitment to upholding the rights of every citizen, particularly those from marginalized communities, aligns with our party's core beliefs.

Judge Thompson not only possesses a keen understanding of legal issues, but also a heartfelt commitment to the community. She has a proven track record of advocating for social justice, a deep awareness of the challenges faced by our society, and is committed to upholding the rights of every citizen, particularly those from marginalized communities. She has a long record of ensuring that every voice is heard and respected in our legal system.

As we look to the future, it is essential that we elect judges who reflect our shared values and who will protect the fundamental rights of all citizens. Judge Thompson exemplifies the qualities we need in our appellate judiciary.

Vote for Judge Thompson—a dedicated public servant ready to uphold the law with integrity and compassion!
